CCL™ TO FOCUS ON IN-STOCK AFTER-MARKET CAM LOCK AND RELATED HARDWARE BUSINESS

CCL™ Security has introduced Multi-Cam Mailbox Locks (interior & exterior), Padlockable Cam Lock, Weather Resistant, Tubular Cam Locks and Dial Combination Cam Locks.

June 2011, Wheeling, Illinois—CCL™ has been known for superior quality Cam Lock and Cabinet Locks since 1882. Over the past several months CCL™ has introduced new products to its strategic partners. In support of this effort CCL™ has hired many new Manufacturers Representatives and renewed its Marketing effort. These efforts have been led by Jerry Burhans, National Sales & Marketing Manager for CCL™. Please be sure to stop by the CCL™ ALOA Booth in August to see these products up close.

Features and Benefits of the Mailbox Lock (MBL82010 & MBL 82011)
