**AS INDUSTRIAL AND COMMERCIAL BUSINESSES  
CONTINUE EFFORTS TO CUT COSTS,  
SESAMEE® PORTABLE SECURITY PADLOCKS INTRODUCES  
NEW LINE OF SOLID BRASS PADLOCKS.**

**Sesamee® solid brass padlocks have been used for over 100 years and have led the world in innovation and flexibility. Now you can choose a low cost solid brass premium Sesamee® keyed padlock with the new 600 series featuring the CCL “CR” keyway.**

**June 2011, Wheeling, Illinois**—The versatile 600 premium brass padlock series from Sesamee® is available in a wide range of sizes and shackle options. The 600 series is top quality in design and manufacture with precision mechanisms featuring the “CR” keyway. The Sesamee® 600 line is available keyed differently and keyed alike; additionally the 600 series can be specifically assembled to match an existing key.

**Features and Benefits of the Sesamee® 600 series**

- Hardened Steel Shackle – Extra protection against cutting
- Double bolted locking mechanism – Extra protection to resist torsion and pull attack
- Solid brass body – Added resistance to corrosion
- Shackle options – Long shackle and brass shackle options for clearance and anti-spark
